Map: Dixon Ent. D-1

Lat: 54° 57' 36"

Long: 132° 09' 31"

Intermittent stream under normal flow conditions.

Approximately 6 - 8 feet wide and 6 inches in depth.

A small falls area above the I.T.Z. Blowdown and brush, very prevelant. No spawning riffle observed and termed this as a non-productive salmon stream.

Optimum Escapement - No spawning potential
